

A passion for property and a heart for great customer service?

You were made for this job!

SDL Property Auctions

Nottingham

What we do

SDL delivers national coverage across the board in auctions, property management, lettings and estate agency. In all areas, our revolutionary spirit has the customer at its heart. We are one of the UK's largest property auction networks, helping corporate and private customers buy and sell residential, commercial and agricultural property and land. Passionate about providing customers with sensational service, we strive continuously to find ways of making their life easier and better through improvements and innovations that are shaping the future of our industry.

What we care about

Revolutionising our customers' experience is what drives us each and every day at SDL. We thrive on shaking up the industry and doing what it takes to make customers' lives easier and better. Because they deserve more and we want to be the ones to wow them. We believe our greatest asset is our people and by empowering them to make a difference our people can become the best they can be.

Your life as a Sales Negotiator

With support from the Operations Manager you will be the main point of contact for our vendors, buyers and sellers. You will get a real kick out of great customer service and getting it right first time for your stakeholders on every interaction. You'll be driven to hit your targets ensuring tasks are managed efficiently and that the quality of service is excellent. You'll develop strong relationships with everyone you deal with as you go about your daily work. You will be able to work as part of a team to resolve issues because you know we always keep our promises to our clients. You will be proactive, professional, organised and have an energetic can-do attitude.

What you'll do

- To facilitate the auction process from initial applicant enquiry through to completion
- To manage expectations of vendors, buyers and sellers at all times.
- Build effective working relationships with all internal and external stakeholders to allow you to effectively deal with queries received.
